

## Telehealth Enrollment using the Smartphone Application (App):

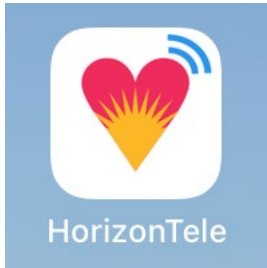

\*This is different if you are using Horizon tele on a computer

1. Open the App store or Google Play to download the application onto your Smartphone.

[Download in App Store](#)

[Download in Google Play](#)

2. Look for this logo.

3. Open the application and choose to sign up.

It asks you for your legal name, date of birth, gender, and the state in which you live. You also must provide your email address and a password, and agree to the terms of use.

Note: Your password must contain seven characters or more, and must contain at least one letter and one number.

\*Remember to keep this information in a safe place that you will be able to find again for your next log-in.

A screenshot of the "About You" sign-up screen in the HorizonTele app. The screen has a white background with a blue header bar containing a back arrow and the text "About You". Below the header is a blue banner image showing hands holding a smartphone. The form consists of several input fields: "First Name (Legal)\*", "Last Name (Legal)\*", "Date of Birth \*", "Gender \*", "What is your current location?" (with "New York" selected), "Email Address \*", "Confirm Email \*", "Password \*", "I agree to these Terms of Use" (with a toggle switch and an information icon), "Optional Information" (with "Service Key" and an information icon), and "Health Plan". At the bottom is a large green "Continue" button.

Revised 10.31.2019

4. Fill in all of the information and press the green “Continue” button.

← About You
