

## Patient View: Start to Finish (Computer)

Patients can enter the visit from an email sent by the provider or staff from within the Converge visit console.

### Step 1: Patient receives email to join visit.

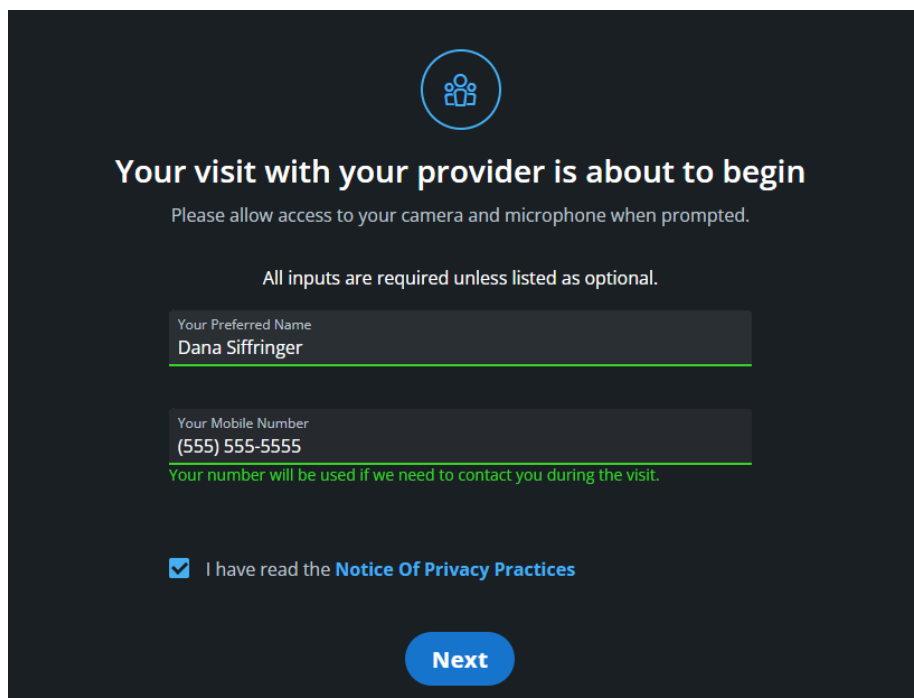

\*Patients can use the same email/link if visit is disconnected. No more rescheduling or sending a new invite!

### Patient Intake and Arrival Status

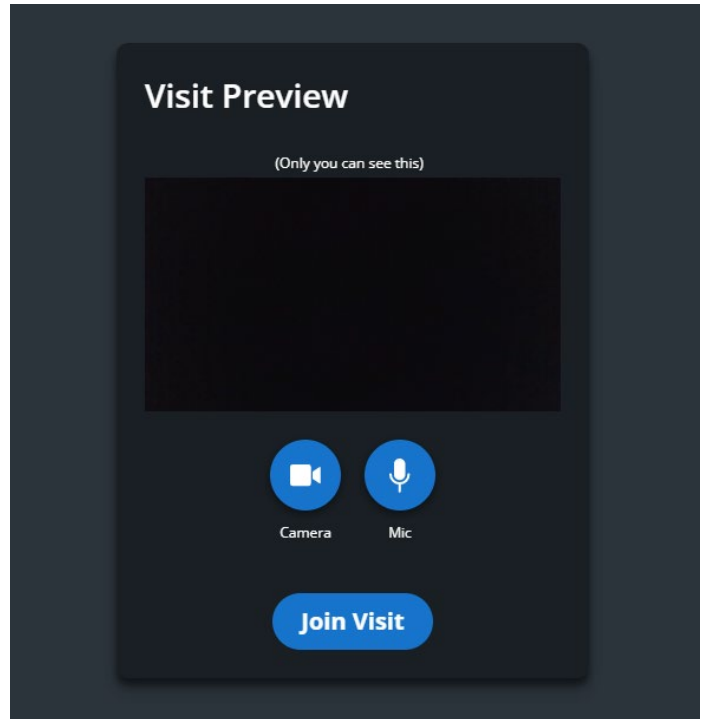

After patients click Join Visit, they are brought to a landing page where they are prompted to enter demo information.

### Step 2: Patient enters in Preferred Name, Phone Number and check mark the Notice of Privacy Practices. Click next.

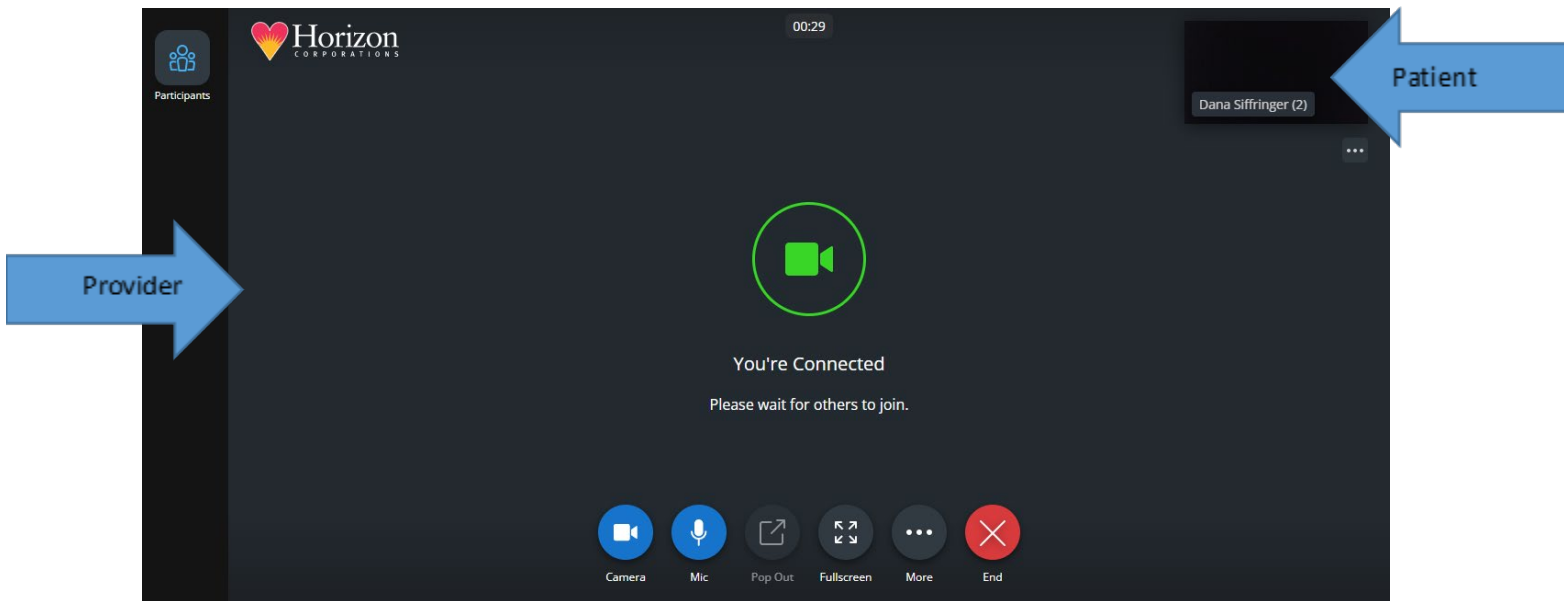

A screenshot of a patient intake form. At the top center is a circular icon containing three stylized human figures. Below the icon, the text reads "Your visit with your provider is about to begin". Underneath this is a prompt: "Please allow access to your camera and microphone when prompted." Below that is a note: "All inputs are required unless listed as optional." There are two input fields: "Your Preferred Name" with the value "Dana Siffringer" and "Your Mobile Number" with the value "(555) 555-5555". Below the mobile number field is a note: "Your number will be used if we need to contact you during the visit." At the bottom, there is a checked checkbox followed by the text "I have read the Notice Of Privacy Practices". At the very bottom center is a blue button with the text "Next".

Patient will next come to a Visit Preview.  
This will show them their self-view.

**Step 3: Patient will click "Join Visit"**

Patient is now connected to the visit and will see their provider here!

## Ending the Visit

Patient will click the **red X** and select Leave Visit
