Residential treatment provides an opportunity for holistic recovery.
A caring approach

Residential treatment provides an opportunity for holistic recovery by providing person-centered treatment in an environment that empowers residents to make choices as they focus on improving all life-skill areas.

Horizon Village is staffed by a multi-disciplinary team representing the fields of medicine, social work, nursing, alcoholism and substance abuse counseling, family counseling, psychology, psychiatry and activities therapy. A financial case manager and Medicaid assistance are also available.

Our residents benefit from a 24/7 intensive and individualized recovery program.

Our program offers:

- Education on addiction
- Group and individual counseling utilizing EBP
- Special programs geared toward gender-specific treatment for women and families
- Health & wellness program
- Self-help and step-work
- Vocational and educational assessment
- Medical and psychiatric evaluation
- Mental health counseling
- Benefit/entitlement assistance and other supportive services
- Medication Assisted Treatment
- Recovery Coaches
- Family Programming
- Dog Therapy
