Telehealth Enrollment using a Laptop or Desktop Computer

*This is different if you are using the HorizonTele application for a smart device.*

1. Go to horizontelehealth.org. This will take you to the home screen where you can first register.

2. To register, enter your first name, last name, email, password, and check the box to agree to the terms of use. Note: Your password must be at least 7 characters and must contain at least one letter and one number. You will need your password each time you login to Horizon tele.

3. Enter the state in which you currently live, your date of birth, gender, and biological sex.
4. For the health insurance questions – you can select “Skip this step.”

5. Your account has now been created!
